:

This is a decision on the petition under 37 CFR 1.137(b), filed July 31, 1996, to revive the above-identified application.

The petition is granted.

This application became abandoned for failure to timely respond to the Notice of Allowability mailed July 10, 1995, which set a three month shortened statutory period for filing corrected drawings. No extensions of time having been obtained pursuant to the provisions of 37 CFR 1.136(a), the date of abandonment of this application is October 11, 1995. Therefore, since this petition was filed within one year of the date of abandonment, the petition complies with the one year filing period requirement in 37 CFR 1.137(b).

The application file is being forwarded to Drafting Branch within the Publishing Division for review of the drawings filed July 31, 1996.

Telephone inquiries concerning this matter may be directed to the undersigned at (703) 305-8859.
